SURF PROGRAM

FAQ

Frequently Asked Questions

What is the age range for participants?

- Our surf group is designed for children ages 4-18, but we can accommodate varying ages depending on individual needs.

What disabilities do you support?

- We welcome all children of all ages. Our programs are tailored to meet individual needs and goals.

Do participants need prior surfing experience or equipment?

- No prior surfing experience is required and we provide all required equipment including wetsuits and soft top surfboards.

What safety measures are in place?

- Safety is our top priority along with fun. We use appropriate flotation devices, have qualified instructors, and maintain a one on one instructor-to-participant ratio.

Can parents or caregivers join the sessions?

- Yes! We encourage parents and caregivers to participate or be nearby to support their child during the sessions.
